## WORK Experience

- **Junior Project Manager** / May 2016 - August 2016  
Spinmedia - Starting an innovative and thrilling project on Digital Marketing for a company in Mexico. Challenging job as I can participate in a new venture from the beginning.
- **Web Developer** / Summer 2015  
Spinmedia - Being part of a working team to successfully develop new functions for a web CMS helped me put into practice my softskills acquired in the Diploma in Professional Skills. This enhanced teamwork as a core value for me.
- **Direction Assistant** / July 2010, July 2011  
Kilika - Translating briefs from Spanish to English and vice versa. Above all I learnt about project management and I developed an avid interest in becoming an entrepreneur. Being responsible for the inventory taught me new organizational skills.

## EDUCATION

- **Master in Human Computer Interaction and Design** / 2016 - Ongoing  
EIT Digital, University of Twente and University of Trento - Study, design, development and evaluation of novel user interfaces and interactive systems taking into account human, technological and business aspects.
- **Bachelor in Telematics Engineering** / 2011 - 2016  
Comillas Pontifical University, ICAI - Encompasses Telecommunications and Computer Science. International Itinerary with some English taught classes. Class delegate. Ranked 16th (Europe) by the Times Higher Education Alma Mater Index: Global Executives 2013.
- **Innovation Course (Akademia Project)** / 2015- 2016  
Bankinter's Foundation - An innovation-centric program which deals with topics aimed at fostering the pursuit of innovative projects and their concomitant leadership. We developed a final team project on Smart Agriculture that has taught me to devote my time to a common project, to commit to people I originally did not know, to deliver results on a regular basis and the importance of mutual support among peers. As team leader I learnt to bring out the best of people and to keep spirits high.
- **StartUp Development** / April 2015  
Startup University Program - Courses given by the entrepreneur Ángel Lopez Samartino to learn the key points in the Startup creation. Being able to create my own StartUp is something that definitely governs my life and that always arises my curiosity.
- **Primary/Secondary Education and Baccalaureate** / 1996 - 2011  
St. Anne's School Madrid - British bilingual school. IGCSE average: A\*. Scientific Baccalaureate: 9,41/10.
